

OFFICE OF THE CHIEF ELECTRICAL ENGINEER, BANGALORE.

SALE OF CAST IRON PIECES.

Notification dated 20th January 1936.

1. Sealed tenders for the purchase of about 10 tons of cast iron pieces available in the compound of the Chief Electrical Engineer's Office and in the "A" Station, will be received in this office up to 2 P.M. on 10th February 1936.
2. The materials will be available (about 3 tons in the compound of the Chief Electrical Engineer's Office and the remaining quantity in "A" Station). The materials available in "A" Station are in the shape of scrap—a synchronous Motor and 1,000 K.W. condenser. The purchaser should make arrangements for breaking the above articles to pieces and remove the same at his cost.
3. Tenders should be superscribed "tenders for the purchase of cast iron pieces due at 2 P.M. on 10th February 1936" and should be accompanied with the earnest money of Rs. 25. The earnest money should be sent separately in cash or in currency notes.
4. The undersigned reserves the right to refuse the highest or any tender, whole or in part, without assigning any reasons therefor.
5. The deposit of the successful tenderer will be retained and he will be required to execute the agreement and furnish immediately a further deposit of one-fourth of the amount of the value of the materials offered to be sold.
6. Payment will have to be made before the materials are removed from the Stores, and the earnest money and the further deposit made will be adjusted towards the close of the whole transaction.
7. The cast iron pieces will have to be taken delivery of, wherever they are available at the places mentioned above.
8. Failure to comply with the above conditions, will entail the forfeiture of the amounts deposited together with the earnest money and the materials will be resold at the risk of the tenderer, who will have no claim to profits, if any, that might accrue in the resale but will have to reimburse the department all losses entailed in the resale.
9. Arrangements will be made to refund the earnest money of the unsuccessful tenderers soon after the tenders are opened and decided upon.

M. HAYATH,
For Chief Electrical Engineer.
